### **PERSONAL STATUS**

- Born: 1982, Sanandaj, Iran
- Marital status: Married
- Nationality: Iranian

### **EDUCATION**

- PhD in Disaster & Emergency Health, Department of Disaster Public Health, School of Public Health, Tehran University Medical of Sciences, Tehran, Iran, 2014- Present
- M.Sc. in Epidemiology. Tehran University of Medical Sciences, Tehran, Iran, 2012
- B.Sc. in public Health, Shahid Beheshti University of Medical Sciences, Tehran, Iran, 2007

### **THESIS**

**PhD:** Investigating the factors Affecting Death Due to Flood in Iran

**MSc:** Understanding people opinions about the impact of ethnicity on health and healthcare providers and practices, its effect In Marivan, Sanandaj and Tehran, Iran during 2010 -2011

### **PROFESSIONAL HISTORY**

- Head and assistant professor in Department of Health in Emergencies and Disaster, School of Medicine, Kurdistan University of Medical Science, 2019-Present
- Head of disaster Management and Risk Reduction Office, Health Department, Kurdistan University of Medical Science, 2012 – Present.
- Member of National Advisory Council on Disaster Risk Management in Ministry of Health and Medical Education in IRAN, 2015-present.

- Member of the Scientific Committee to prevent and reduce the effects in 7<sup>th</sup> , 8<sup>th</sup> and 9<sup>th</sup> health in disaster and emergency congress. 2016,2017, 2019.
- Main Researcher in Disaster risk assessment in the health network in the province as a whole, Health Department, Kurdistan University of Medical Science,2013
- Head of the Disaster Management Committee of the Vice Chancellor for Education, Kurdistan University of Medical Science,2012 – Present.
- Head of Social determinants of Health (SDH), Health Department, Kurdistan University of Medical Science,2012 – Present.
- Research Expert, in Kurdistan Research Center for Social Determinants of Health (KRSDH).
- Health Expert in Phenylketonuria (PKU) program in non-communicable diseases' unit in Health Centers in Marivan in Kurdistan,2009-2012
- Health Expert in Thalassemia program in non-communicable diseases' unit in Health Centers in Marivan in Kurdistan
- member in Health Committee and secretary of the Health Committee in the disaster, Kurdistean University of Medical Sciences,2014- present
- Head of Committee from house-to-house polio immunization education and awareness plan, Kurdistean University of Medical Sciences,2013-2014
- Radio programs to educate the public about the Thalassemia - intestinal diseases

## **HONORS**

- First place in national examination in PhD in Disaster & Emergency Health in Iran, 2014
- Third place in national examination in M.Sc. in Epidemiology in Iran,2008
- Establishment of a Department of Health in Emergencies and Disaster in School of Medicine, Kurdistan University of Medical Science, 2019.

## **RESEARCH PROJECTS**

- Scale Development and Psychometric Evaluation of a Tool for Measuring the Primary Healthcare Centers' Preparedness in Drought.
- Assessing the preparedness of Kurdistan province hospitals in response to psychological emergencies in 2022.
- Exploring Attitudes and perception of medical students about the health consequences of climate change: Qualitative content analysis.
- Prevalence of Religious and Fatalistic Attitudes toward Earthquake Disaster Risk Management in Students of Kurdistan University of Medical Sciences in 2022.
- Assessment the preparedness of Kurdistan province hospitals against nuclear disasters (2020-2021).
- Assessment the preparedness of Kurdistan province hospitals against road traffic injuries and mass casualties in 2021.
- Assessing and monitoring the Kurdistan province hospitals' resilience in accidents and disasters in 2021.
- Assessing the hospitals' preparedness for biological events of Kurdistan province in 2021.
- Strengthening Primary Health Care in Responding to Communicable Disease Outbreaks: Providing Policy Options for Iran, 2021
- Investigating the Causes of Flood Death in 2019 in Iran, Kurdistan University of Medical Sciences, 2020.
- Scientific study of managing health outcomes in the concurrence of flood and Covid-19 and other emerging diseases in the country, 2020( in process) .

- Hazard identification and risk assessment of Kurdistan University of Medical Sciences campus complex with a focus on disaster management in 2020( in process) .
- Evaluating the efficiency of the Incident Command System in Corona crisis management in the health deputies of the country's medical universities, 2020( in process) .
- Investigating the factors Affecting Death Due to Flood in Iran,2019.
- Design, implementation and evaluation of disaster management, people-centered in Kerman,2016.
- Providing and Designing Content of Iranian Red Cross Public Education related to Natural and Man-made Disaster in 2016.
- Analyzing the effect of climate change on dust storms and their sequel on public health in IRAN.in Tehran University of Medical Sciences,2016
- Developing Health System's Lessons learned in Response to Arbaein Ceremony Based on I.R Iran National Health Disaster and Emergency Response Operation Plan in 2015
- Study students' satisfaction of clinical education of medical students of Kurdistan University of Medical Sciences,2015
- Check the distance between nursing students and educational services based on SERVQUAL questionnaire in Kurdistan University of Medical Sciences,2015.
- Iranian Health Literacy Scale (IHLS) Assessment Tool and its related factors in patients 60-18 years old Iranian Kurdistan in 2014
- study Structural health literacy tools and related factors in patients 60-18 years of Kurdistan,2014
- Prevalence of edentulous and its causes in dental clinics in Kurdistan,2014
- Investigation about mine explosion and health related consequences in Kurdistan during 35 years recently from 1979 to 2014
- Determine the status of job burnout and its relationship with the quality of services provided to the patients in the hospitals of the city of Marivan,2013.
- Survey on the factors affecting self-treatment and pattern of drug use in students of Kurdistan University of Medical Sciences,2012
- Examine the relationship between mental health and social capital in the capital Kurdistan University of Medical Sciences, 2011.
- Examine the relationship between mental health and social capital in the capital Tehran University of Medical Sciences, 2010.
- Design and evaluation norm measurement tool for breast cancer screening based on the beliefs and behaviors related to health beliefs in women, in Kurdistan,2007.
- The deterrent factors of breastfeeding in the case of children with health centers in Tehran, 2006

## **ACADEMIC TEACHING EXPERIENCES**

### **Department of Nursing& Midwifery, Kurdistan University of Medical Sciences**

*Program: M.Sc. of Emergency Nursing*

- *Information system in pre-hospital and hospital emergencies, 2 credits course, 2020-2021*

- Principles of management in emergencies and disasters, 6 credits course, 2020-2021
- Providing health services in emergencies, accidents and disasters, 6 credits course, 2020-2021
- Epidemiology of emergencies, 2 credits course, 2020-2021
- Sociology and Psychology in Emergencies, Disasters and Disasters, 2 credits course, 2020-2021
- Principles of management in emergencies and disasters, 2 credits course, 2019-2020
- Providing health services in emergencies, accidents and disasters, 2 credits course, 2019-2020
- Epidemiology of emergencies, 1 credits course, 2019-2020

### **Department of paramedical, Kurdistan University of Medical Sciences**

*Program: B.Sc. of Laboratory sciences*

- Public Health and Epidemiology, 2 credits course, 2019-2020

*Program: B.Sc. of Medical Emergency*

- Civil Defense, 1 credits course, 2019-2020

### **Department of Medicine, Kurdistan University of Medical Sciences**

*Program: MD. of General Physician*

- Health Management in Disaster and emergencies, 4 credits course, 2020-2021

### **Department of Medicine, Islamic Azad University-Semnan Branch**

*Program: MD. of General Physician*

- Health Management in Disaster and emergencies, 2 credits course, 2019-2020.
- Health Management in Disaster and emergencies, 2 credits course, 2020-2021.

### **Department of Public Health School, Tehran University of Medical Sciences**

*Program: MPH (Master of public Health in disaster risk management)*

- Disaster risk management, 2 credits course, 2016.

*Program: M.Sc. of Nutrition in Disaster*

- Management disaster risk reduction, 2 credits course, 2016-2015.

### **Department of Nursing & Midwifery, Islamic Azad University-Sanandaj Branch**

*Program: B.Sc. of Nursing*

- Biostatistics, 1.5 credits course, 2013-2015
- Research Methodology, 0.5 credits course, 2013-2015
- Epidemiology, 2 credits course, 2013-2014

*Program: B.Sc. of Midwifery*

- Epidemiology, 2 credits course, 2013-2014

### **Department of Health School, Kurdistan University of Medical Sciences**

*Program: B.Sc. of Public Health*

- Health Measures in Emergencies, 2 Credits, 2020-2021.
- Principles of Disasters and Emergencies, 2 Credits, 2020-2021.
- *clinical courses, 10 credits course, 2008- 2009.*

*Program: M.Sc. of Environmental health, occupational health and health education*

- Principles of Disasters and Emergencies, 2 Credits, 2020-2021.

### **Department of Public Health School, Tehran University of Medical Sciences**

*Program: MPH (Master of public Health in disaster risk management)*

- *Disaster risk management, 2 credits course, 2016*

*Program: M.Sc. of Nutrition in Disaster*

- Management disaster risk reduction, 2 credits course, 2016-2015

### **CONFERENCE PRESENTATIONS:**

- **Arezoo Yari**, Zahra Hossainkhani, Maryam Zamqanian, Maryam Kandi, Maryam Haji, Sodabeh Navadeh, Fatemeh Haidarpoor, Neda Baiat, Kourosh Holakouie-Naieni, Community assessment to identify and prioritize regional issues Bastam city anymore and the problem of depression as the first priority area. presented at 1th national conference on Social Déterminants of Heath. January 2014 .
- **Arezoo Yari**, Ali Ardalán, Farzam Bidarpoor, Disaster risk management program in Health System in Iran. Presented at International Congress on Health in Emergency and Disasters, April 2017.
- **Arezoo Yari**, Ali Ardalán, Vahid Ghanbari. Community based disaster risk management in Kerman Province, Iran. 9<sup>th</sup> health in disaster and emergency congress 2019.
- **Arezoo Yari**. Training of integrated disaster risk management programs, Iran. 8<sup>th</sup> health in disaster and emergency congress 2017.
- Shiva Salehi, **Arezoo Yari**. Source of fine dust in Ahvaz and Bandar Abbas and its effects on health, Iran. 7<sup>th</sup> health in disaster and emergency congress 2016.

### **TAECHING IN WORKSHOP/ WEBINAR**

- 2 hours in Assessing the health effects and consequences of drought in national online webinar, Deputy of health at Ministry of Health & Medical Education, 2021/07/12.
- 2 hours in Epidemiology and types of floods in national online webinar, Deputy of health at Ministry of Health & Medical Education, 2021/11/01.
- 2 hours in Factors affecting flood deaths in national online webinar, Department of Climate Change and Health, Environmental Research Institute, Tehran University of Medical Sciences -2021/07/14.
- 15 hours in Principles and techniques of disaster management in the field of health virtual course of health mini-MBA (higher health management)- 2020/11/16-2020/11/22.

- 5 hours in Disaster risk management (7) workshop in Deputy of health, Ministry of Health & Medical Education, 2016/08/13 - 2016/08/17
- Integrated Disaster Risk Management Training workshop in Deputy of health, Ministry of Health & Medical Education, 2016/09/17 – 2016/09/19
- 5 hours in Disaster risk management (1) workshop in Tehran University of Medical Science, 2015/05/15 - 2015/08/20
- 5 hours in Disaster risk management (2) workshop in Deputy of health, Ministry of Health & Medical Education, 2015/08/01 - 2015/08/05
- 5 hours in Disaster risk management (3) workshop in Deputy of health, Ministry of Health & Medical Education, 2015/08/16 - 2015/08/20
- 5 hours in Disaster risk management (4) workshop in Deputy of health, Ministry of Health & Medical Education, 2015/09/05 - 2015/09/10
- 5 hours in Disaster risk management (5) workshop in Deputy of health, Ministry of Health & Medical Education, 2015/10/03 - 2015/10/07
- 5 hours in Disaster risk management (6) workshop in Deputy of health, Ministry of Health & Medical Education, 2015/10/17 - 2015/10/21

## **WORKSHOPS ORGANIZED**

- 3- days on Familiarity with program management and disaster risk reduction in Nazarabad-Alborz province in Iran, 2016
- 1- day on Preparedness and disaster risk reduction management plan in Fardis- Alborz province in Iran, 2016
- 1- day on Training evaluation and training families to prepare for disasters in Fardis- Alborz province in Iran, 2016
- 1- day on Risk assessment and disaster prevention in Fardis- Alborz province in Iran, 2016
- 1- day on Care outcomes and disaster in Fardis- Alborz province in Iran, 2016
- Disaster Risk Management Training of Trainers, in Tehran. 2016.(3 course)
- 1-day course on Disaster risk management in Tehran. 2016.(7 course)
- 1-day Maneuvers on Environmental health emergency in Sarvabad. 2014.
- 1-day Maneuvers on Environmental health emergency in Divandareh. 2014.
- 1-day course on Educational and health promotion interventions. 2014.
- 1-day course on Disaster Management. 2014.
- 1-day course on Women's care in Teacher Training University in Sanandaj. 2014.
- 1-day course on Injury prevention and safety promotion. 2014.
- 2-day course on Introduction to Research Methods (Study Type- cost estimation and the sample size) in Marivan. 2013.
- 2-day course on Crimean-Congo hemorrhagic (CCHF) fever in Marivan. 2013.
- 3-day course on Phenylketonuria and hypothyroidism in Marivan. 2012

## **PARTICIPATION IN WORKSHOPS/ WEBINAR AND MANEUVER**

- International webinar on Infection Prevention and Control (IPC) for Novel Coronavirus (Covid-19), organized by World Health Organization (WHO), 10 April 2020 (online course).
- International webinar on Emerging respiratory viruses, including COVID-19: methods for detection, prevention, response and control, organized by World Health Organization (WHO), 9 April 2020 (online course).
- International webinar on Sever Acute Respiratory Infection (SARI) Treatment Facility Design, organized by World Health Organization (WHO), 10 April 2020 (online course).
- COVID-19: Operational Planning Guidelines and COVID-19 Partners Platform to support country preparedness and response, organized by World Health Organization (WHO), 10 April 2020 (online course).
- International Workshop on Preparedness and in Accidents and Disasters, 25-31 August 2018, in Tehran, Iran.
- Completed course on Health Emergency in Large Population (HELP) organized by International Committee of the Red Cross (ICRC), the Iranian Red Crescent Society and the University of Tehran, 7 - 18 October 2017, in Tehran, Iran.
- Completed course on Public Health Emergency pre- deployment (PHEPD) organized by World Health Organization (WHO), 8-14 February 2016, in Amman, Jordan.
- Exercise disaster workshop in Tehran University of Medical Science, in Tehran, 31/12/2016 to 01/01/2017.
- Resilience in Accident and Disaster, in Tehran, 2016
- Application of GIS in health studies, in Tehran, 2016
- Advanced analysis GIS in health studies, in Tehran, 2016
- Structural and Nonstructural safety in health centers, in Tehran, 2016
- Exercise disaster workshop, in Tehran, 2016
- Proposal writing workshop for international Grant, in Tehran, 2015
- Design and psychometric questionnaire Workshop, in Tehran, 2015
- How to Write an article, in Tehran, 2015
- Familiarity with epidemiological and statistical analyzes in environmental studies, in Tehran, 2015
- Community base Disaster Risk Management, in Tehran, 2015
- Introduction to methods for quantifying the amount of bias in studies
- Introduction to Systematic Review
- Evidence-based medicine
- Search for electronic resources (1)
- Search for electronic resources (2)
- The role of nutrition in health promotion

- School health education
- Retraining of mental health
- Burns and poisoning the completion of Mana
- AIDS and healthy work environment
- Retraining healthy child care
- Familiarity with the system of subsidies
- Death registration and software installation and implementation of a new version of the death registration
- Middle-aged health program (menopause)
- Principles of sampling in the laboratory
- Water and food -borne diseases with an emphasis on Cholera
- Retraining Health education in schools
- Integrated care for healthy children
- Elderly care
- Farmers Health Initiative
- Sexually Transmitted Diseases
- Pulmonary edema, pulmonary embolism (diagnosis, care, treatment)
- Satellite influence on lifestyle
- Family Life Education
- Management of water and food -borne diseases
- Reporting principles
- Training Tuberculosis
- HIV control programs and health link
- National program for the control of PKU and congenital hypothyroidism
- Control of Thalassemia incidence
- Islamic traditional medicine
- Zoonotic Disease
- Retraining gynecological diseases
- Population growth strategies
- Environmental health emergency
- 6th National Training Course Disaster Health Management & Risk Reduction (DHMR)
- 1th National Training Course Disaster Risk Management in public health

## **WORKING WITH SCIENTIFIC JOURNAL**

- Reviewer of the JOURNAL OF CHILD AND ADOLESCENT PSYCHIATRIC NURSING, 2021-02-25.
- Reviewer of the Journal of Environmental Health Science & Engineering (JEHSE), 2021-02-22.
- Reviewer of the Journal of Disaster and Emergency Research (JDER), 2021-07-21.
- Reviewer of the Scientific Journal of Kurdistan University of Medical Sciences, 2019-08-23.
- Reviewer of the Shenakht journal - published at Kurdistan University of Medical Sciences, Sanandaj, Iran.
- Reviewer of the International Journal for Equity in Health - IJEH-D-16-00143R1
- Member of the editorial board of the Shenakht journal of Kurdistan University of Medical Sciences, Sanandaj, Iran. 2016-06-21 to 2017-11-22.

## **PROFESSIONAL ASSOCIATIONS**

- Iranian Scientific Association of Health in Emergencies and Disasters.
- International Epidemiology Association (IEA)
- Iranian Epidemiology Association (IEA)
- Iranian Public Health Association (IPHA)

## **LANGUAGE SKILLS**

### **Farsi**

- Native language

### **Kurdish**

- Native language

### **English**

- Speaking: Good
- Reading: Excellent
- Writing: Good
- Listening: Good

## **COMPUTER SKILLS**

- Statistical software: SPSS, Excel, Open code, MAXQDA 10, ArcGIS.

## **REASERCH SKILLS**

- Qualitative Study
- Designing and Psychometric Assessment of the Questionnaire
- Cross Sectional Study
- Case-Control Study
- Disaster Epidemiology
